

Al Jazeera International

ALJAZEERA
INTERNATIONAL

Al Jazeera International's English language service is soon to launch. We are seeking top-class professionals at our headquarters in Doha, at our broadcast centres in London, Washington DC and Kuala Lumpur and for our news bureaux all around the world.

TECHNICAL

Deputy Director of Technology Ref: TDDT/0509

A strategic and operational role reporting to the Director of Technology; responsible for the delivery of the Broadcast Technology infrastructure and the management of personnel in Doha and in the Kuala Lumpur, London and Washington broadcast centres. Substantial broadcast experience at a senior level is essential. Doha based.

Head of Transmission and Post Production Ref: THT/0509

A challenging position involving the management of Transmission and Post Production Operations in Doha, using the latest station automation and non-linear technologies. Demonstrable experience in implementing and managing multi-skilled teams in a start-up situation are essential. Doha based.

Head of Engineering and IT Ref: THE/0509

This requires the delivery of engineering, broadcast IT and IT services. Demonstrable experience in implementing and managing multi-skilled teams in a start-up situation are essential. Doha based.

PROGRAMMES

The programme department is responsible for commissioning and producing a range of current affairs and factual programmes. Genres will include documentaries, politics, business, human rights, social issues, belief, lifestyle, interview and debate programming.

Executive Producers, Kuala Lumpur & Washington

Ref: PEXP/0509

Senior positions involving the creative realisation and day to day management of all programme content produced in Washington or Kuala Lumpur and all material commissioned from the surrounding regions.

Editors and Producers Ref: PEDP/0509

These individuals will have a reputation for producing innovative, high quality current affairs and factual programming. Experience essential in one or more of the following areas: live studio debate shows, studio and location production and commissioning. Based in Doha, London, Washington and Kuala Lumpur.

Production/Unit Managers Ref: PPUM/0509

Experienced production managers with exceptional organisational skills to support the programme team in all production budget, resource and facility planning and programme management. Based in Doha, London, Washington and Kuala Lumpur.

Researchers and Bookers Ref: PRB/0509

Senior and junior researchers are required with knowledge and experience in our key factual genres. Experienced bookers should have a proven ability to research and book top quality guests. Based in Doha, London, Washington and Kuala Lumpur.

NEWS

Programme Editors Ref: NPE/0509

These senior editorial roles involve taking responsibility for putting the channel's news content to air and leading a large team of production journalists. Candidates will already be in charge of news programmes for a major network, with a wide knowledge of world affairs and sound editorial judgement under pressure. Posts are available in Doha and all our broadcast centres.

Multi-skilled Field Camera Operators Ref: NFCO/0509

These posts require experience at the highest level as a multi-skilled cameraperson/editor for a major news network. Candidates must be willing to embrace new technology, to travel on international stories at short notice and be able to fit into small hardworking teams. Vacancies at all our broadcast centres and also in our news bureaux worldwide.

Media Asset Manager Ref: NMAM/0509

This senior post requires the creation, organisation and supervision of a 21st century library and archive system. Requires knowledge of current Digital Media Asset Management Systems and their application in a broadcast environment, involving the management of text, stills, audio and video. To lead a team of assistants and to be able to work under pressure and meet tight deadlines. Doha based.

CREATIVE

Junior/Senior Graphic Designers Ref: CGD/0509

Candidates must have a BA in Graphic Design with 1-3 years experience in broadcast news graphics, animation or multimedia. We have positions in Doha, London, Washington and Kuala Lumpur.

Senior/Junior Promotion Producers Ref: CPP/0509

To help showcase our output.

PR & MARKETING

Copywriter Ref: MC/0509

A copywriter is required to work as part of the Commercial team, specifically within the PR & Marketing departments. To write copy for communications material including speeches, programming synopses and marketing literature. Ideally with a journalism background, the candidate must excel in written English.

If you are a highly motivated individual with experience and want to join the team setting up a new global channel, then email your cv and a covering letter to Internationaljobs@aljazeera.net.

Please put the reference number in the subject box. Previous applicants need not reapply. Closing date 19th September.

Al Jazeera International is an equal opportunity employer.
